

Welcome to the 2018 Season

WNC Open Night

On **Thursday, 15 February at 5.30pm** WNC is holding a Season Launch Evening, we would love to see as many of our members attend and not only meet the board and enjoy the **drinks & nibbles** but find out what's happening during the season, including:

- Board & Volunteer Information – *find out about our Board and what volunteers are needed for 2018, meet the Netball Northern - Mid North Netball Development Officer.*

Registrations

Team and Player Registration information will be distributed over the next few weeks with the process similar to last year.

Team Registrations

- Team registrations due on or prior to **6 April 2018**
- Registration fees due **12 May 2018**

Player Registrations

- Continue to use Online Sporty Player Registration Forms
- Online Sporty Player Registrations to be lodged by **12 May 2018**
- A **Sporty Information Evening** is being held at the **Whangarei Netball Centre** on **Thursday 8 February, 6pm – 7.30pm**, WNC encourages you to attend.
This facility is a great way to manage your teams and saves your committee members time & energy manually collating registration information for WNC.
- You will be required to ensure you have registered all your players through this system and that every player has been correctly allocated to a team.

Competition Calendars

The Season Calendars are available on our website (<http://whangareinetball.co.nz/events/calendar>)

- Junior Competition Calendar 2018
- Intermediate, College & Senior Competition Calendar 2018
- Umpires Calendar 2018

Updates will occur, please check the date at the bottom of the Calendar.
The online calendar will also be kept up to date so you will be able to see the month / year in full.

Changes to Competition Structure

WNC will be piloting a new Competition Structure for 2018 where Junior teams in Year 1-6 **modified** will be placed in one section per Year group. Teams will then have the opportunity to play as many different teams as possible, within their year group.

Junior Sections 1 - 4 will run as per 2017 structure. Junior Sections 1 & 2 teams, where possible, will be placed in the same section that they were in the previous season.

Sporty App & Website

Sporty Website

WNC will be using its Sporty website (<http://www.sporty.co.nz/whangareinetball>) in a couple of new ways this year;

- All registrations for workshops, programmes / courses, tournaments, trials and volunteer positions will be done online - links will be provided when communication of dates are distributed and on our website & facebook.

There is also the possibility that administration forms such as De-Registration and Transfer Forms will be online so keep a look out for these.

- Email notifications – the Sporty website has a facility of emailing notices to all subscribers, any member communication will be added to not only the Website Notices & Facebook page but also here. Everyone is encouraged to subscribe to this service by clicking the 'Email me notices' link on the page.

Clubs are encouraged to investigate the use of the Sporty Website as an option to communicate to its own members – this could eliminate the need to distribute information to players, coaches, managers using word of mouth and ensures everyone receives the same info.
